

## MANUFACTURERS REPRESENTED

### • A P T I V •

**Aptiv** provides complete vehicle electrical systems, integrating wiring and cable assemblies, electrical centers and connection systems and provides advanced software and sensing systems, computing platforms, advanced safety systems and automated driving, user experience and infotainment, as well as other vehicular electronic controls.

[www.apativ.com](http://www.apativ.com)

**Winchester Interconnect** designs, develops and delivers the interconnect solutions that fuel customer success (RF & Microwave, Fiber Optics, Custom Cable, Multi-pin, Hermetic Solutions, Cable Assemblies).

[www.winconn.com](http://www.winconn.com)

**RF Cables & Connector Solutions**

- +up to 110GHz
- +Test & VNA Cables
- +Phase & Group Matched
- +D38999 Configurations
- +Phase/Temp Stable Solutions
- +Standard & Custom Connectors

**www.ConductRF.com**

**Conduct RF** is a leading manufacturer of RF Coaxial Connectors and Assemblies, Outdoor IP rated connectors for the Telecom market, Multipin Aerospace Connectors, Antennas, Fiber Optic and Active Optics products and RF Components.

<http://www.conductrf.com>

**Archtech Electronics** suppliers a wide range of interconnect, copper over molded assemblies, ODM manufacturer, expertise in plastics and contract manufacturer for military, medical and industrial customers.

[www.archtech.net](http://www.archtech.net)

**FUJIKURA-DDK** Circular connectors, 5015's.

**PCA** products are SMPS Transformers AC-DC and DC-DC. POE++ for high power, smallest packaging. High Voltage flyback Transformers works with Linear Tech Chip set.

[www.pca.com](http://www.pca.com)

**Flex-Tec** (the wiring source) wire preparation, wire harness assembly, electro-mechanical assembly, custom manufacturing, and electrical over molding.

[www.flex-tec.com](http://www.flex-tec.com)

**MCI Technologies** obsolete connectors, aluminum machining, cable and harnesses, insert moldings for connectors and precision injection molding. Markets served medical, industrial and military.

[www.mcitechnologies.com](http://www.mcitechnologies.com)

**Bernier Interconnect** push pull connector (Lemo, Souriau and ODU equivalent), break away and quick release versions. Compact low profile connectors. Harsh environment. Markets served medical, medical and industrial.
